The Offerer proposing to provide services pursuant to this solicitation, as a contractor, joint venture contractor, subcontractor, or consultant, attests that its performance of the services outlined in this solicitation does not and will not create a conflict of interest with nor position the Offerer to breach any other contract currently in force with the State of New York. Furthermore, the Offerer attests that it will not act in any manner that is detrimental to any State project on which the Offerer is rendering services.

Specifically, the Offerer attests that:

1. The fulfillment of obligations by the Offerer, as proposed in the response, does not violate any existing contracts or agreements between the Offerer and the State;
2. The fulfillment of obligations by the Offerer, as proposed in the response, does not and will not create any conflict of interest, or perception thereof, with any current role or responsibility that the Offerer has regarding any existing contracts or agreements between the Offerer and the State;
3. The fulfillment of obligations by the Offerer, as proposed in the response, does not and will not compromise the Offerer's ability to carry out its obligations under any existing contracts between the Offerer and the State;
4. The fulfillment of any other contractual obligations that the Offerer has with the State will not affect or influence its ability to perform under any contract with the State resulting from this Solicitation;
5. During the negotiation and execution of any contract resulting from this Solicitation, the Offerer will not knowingly take any action or make any decision which creates a potential for conflict of interest or might cause a detrimental impact to the State including, but not limited to, any action or decision to divert resources from one State project to another;
6. In fulfilling obligations under each of its State contracts, including any contract which results from this Solicitation, the Offerer will act in accordance with the terms of each of its State contracts and will not knowingly take any action or make any decision which might cause a detrimental impact to the State including, but not limited to, any action or decision to divert resources from one State project to another;
7. No former officer or employee of the State who is now employed by the Offerer, nor any former officer or employee of the Offerer who is now employed by the State, has played a role with regard to the administration of this contract procurement in a manner that may violate section 73(8)(a) of the State Ethics Law; and
8. The Offerer has not and shall not offer to any employee, member or director of the State any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

Offerer(s) responding to this Solicitation should note that the State recognizes that conflicts may occur in the future because an Offerer may have existing or new relationships. The State will review the nature of any such new relationship and reserves the right to terminate the contract for cause if, in its judgment, a real or potential conflict of interest cannot be cured.
