

## HOSPITAL INFORMATION

<b>Region</b>	Metropolitan Area Regional Office
<b>County</b>	Queens
<b>Council</b>	New York City
<b>Network</b>	NYC H+H
<b>Reporting Organization</b>	Elmhurst Hospital Center
<b>Reporting Organization Id</b>	1626
<b>Reporting Organization Type</b>	Hospital (pfi)
<b>Data Entity</b>	Elmhurst Hospital Center

RN DAY SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Registered Nurses (RN) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 4 digits. Ex: 10.50)	Planned total hours of RN nursing care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 4 digits. Ex: 10.50)	Planned average number of patients on the unit per day on the Day Shift? (Please provide a number with up to 4 digits. Ex: 10.50)	What is the planned average number of patients for which one RN on the unit will provide direct patient care per day on the Day Shift (Please provide a number with up to 4 digits. Ex: 10.50) ?

DAY SHIFT ADDITIONAL RESOURCES

<p><b>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</b></p>	<p><b>Description of additional resources available to support unit level patient care on the Day Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff.</b></p>
---	---

A5 (Psychiatry)	Dedicated clerical and HN resources for this unit are planned for this currently shuttered unit. Additional resources such as pharmacists, activity therapists, and social workers will be available to support the planned number of patients on this unit.
D11 (Forensics)	Dedicated clerical and HN resources for this unit are planned for this currently shuttered unit. Additional resources such as pharmacists, activity therapists, and social workers will be available to support the planned number of patients on this unit.
E4	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.

D9 (Adult Psychiatry)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.
D5 (Labor & Delivery)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B8 (Neonatal Stepdown)	Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
E8 (Neonatal ICU)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

B7 (Pediatric Stepdown)	Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B7 (Pediatrics)	Dedicated clerical and Nursing manager resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
A/B-8 (Mother-Baby)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
E7 (Medical ICU)	Dedicated clerical and Nursing supervisor resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

A7 (Cardiac Stepdown)	Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B3 (Surgical Stepdown)	Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
A/B-11 (Adult Psychiatry)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.
A/B-10 (Adult Psychiatry)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.

B9 (Adolescent Psychiatry)	Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.
A9 (Adolescent Psychiatry)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.
A6 (Adult Psychiatry)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, activity therapists, and social workers are available to support the planned number of patients on this unit.
B2 (Surgical/Trauma ICU)	Dedicated clerical and Nursing supervisor resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

A7 (CCU)	Dedicated clerical and Nursing supervisor resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
A4 (Medicine, Neurology, and Neurosurgery Stepdown)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B6 (Med/Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

B5 (Med/Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B4 (Med/Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
B3 (Med/Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

A3 (Med Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
A2 (Rehab)	Additional resources such as pharmacists, respiratory therapists, occupational/physical therapists and social workers are available to support the planned number of patients on this unit.
A2 (Med/Surg)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

DAY SHIFT CONSENSUS INFORMATION

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Our Clinical Staffing Committee reached consensus on the clinical staffing plan for this unit:	If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:	Statement by members of clinical staffing committee selected by the general hospital administration (management members):	Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):

NIGHT SHIFT ADDITIONAL RESOURCES

<p><b>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</b></p>	<p><b>Description of additional resources available to support unit level patient care on the Night Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff.</b></p>
A5 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients planned for this currently shuttered unit.
D11 (Forensics)	Additional resources such as pharmacists are available to support the planned number of patients planned for this currently shuttered unit.

E4 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
D9 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
D5 (Labor & Delivery)	Dedicated clerical and HN resources for this unit are in place. Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B8 (Neonatal Stepdown)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
E8 (Neonatal ICU)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B7 (Pediatric Stepdown)	Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

B7 (Pediatrics)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A/B-8 (Mother/Baby)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
E7 (Medical ICU)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A7 (Cardiac Stepdown)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B3 (Surgical Stepdown)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A/B-11 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.

A/B-10 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
B9 (Adolescent Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
A9 (Adolescent Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
A6 (Adult Psychiatry)	Additional resources such as pharmacists are available to support the planned number of patients on this unit.
B2 (Surgical/Trauma ICU)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A7 (CCU)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A4 (Medicine / Neurology / Neurosurgery Stepdown)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.

B6 (Med/Surg)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B5 (Med/Surg)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B4 (Med/Surg)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
B3 (Med/Surg)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A3 (Med/Surg)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.
A2 (Rehab)	Additional resources such as pharmacists and respiratory therapists are available to support the planned number of patients on this unit.

A2 (Med/Surg)	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
