

Hepatitis C
Care and Treatment Provider
Directory

May 2014

Introduction

This directory provides essential contact information for medical providers currently offering hepatitis C (HCV) care and treatment in addition to general primary care services. Providers in this directory are categorized by geographic region. Providers names denoted with an asterisk (*) are currently funded by the NYSDOH-AI to provide HCV care and treatment.

Inclusion in this directory does not confer any endorsement by the New York State Department of Health - AIDS Institute (NYSDOH-AI) nor does it establish NYSDOH-AI credentialing or certification in a specialty.

This is not an exhaustive list of HCV care and treatment providers. Provider listings will be updated on a regular basis. If you would like to be added to or removed from this directory please send a formal request to: hepatabc@health.state.ny.us.
