SUBJECT: NH Legal Services Agencies
and Community Resources
Providing Resident Advocacy
Services Guide

Dear Nursing Home Administrator:

This letter is to inform you a Nursing Home (NH) Legal Services Agencies and Community Resources Providing Resident Advocacy Services Guide ("Guide") has been developed to provide information to residents about free legal and resident advocacy services.

New York Codes, Rules and Regulations (NYCRR) Title 10 section 415.3, "Residents' Rights," requires Nursing Homes to provide residents with a detailed, written discharge/transfer notice, which must include specific information regarding a resident's rights in this process, such as how to appeal a discharge/transfer determination; a statement that the resident has the right to be represented by legal counsel, a relative, themselves, a friend or a spokesperson in such appeal, per 10 NYCRR § 415.3(i)(1)(v)(e)(6); and the contact information of the State Long-Term Care Ombudsman, per 10 NYCRR § 415.3(i)(1)(v)(f).

Residents who wish to appeal an involuntary discharge from a nursing home may use the Guide to locate community based agencies, including the Long Term Care Ombudsman Program, that provide free or low-cost legal and advocacy services. Therefore, the Guide should be distributed to all residents who receive a notice of involuntary discharge or transfer to effectuate the resident rights set forth in 10 NYCRR § 415.3(i)(1)(v)(e),(f).

The New York State Department of Health in conjunction with the Office for the Aging reviews the information contained in the Guide and will provide updates as appropriate. If additional agencies are identified or other updates are necessary, please email nursinghomeinfo@health.ny.gov.

Sincerely,

Sheila McGarvey, Director
Division of Nursing Homes
and ICF/IID Surveillance

and Oversight

How to Use this Document

1. This document is intended for those situations where the resident of a residential health care facility has received a notice of an involuntary discharge. If the resident chooses to protest that discharge, he or she must be given a chance to secure legal and advocacy services. DAL 20-15, 10 NYCRR section 415.3(iv)(e)(6). This document is designed to assist residents and their families in securing advocacy and legal services by listing persons and organizations which have indicated that they may be able to assist the resident.
2. **Residents who receive the above-mentioned notice must be given a copy of the list of legal and advocacy services for the county in which the residential health care facility residence is located and all contiguous counties.**
3. This list is set up by region (Capital District, Central New York, Long Island, Metropolitan Area, and Western New York Regional Offices), with regional counties listed alphabetically. Under each county is a list of those organizations and persons who have indicated that they are prepared to offer legal and advocacy services to residents.
4. Please note that this list is not exhaustive.
5. At the end of this document is the Changes to Legal and Advocacy Form. The purpose of this form is to help the Department update this document. If you find a person or organization who should be included in this listing, or information which needs to be updated, please send the organization's contact information to the Department via email to nursinghomeinfo@health.ny.gov.

The map below identifies each New York State county. Identify the county where your facility is located, and you will see the contiguous (i.e., surrounding) counties for which the facility should also provide information about available legal and advocacy services.
