**Re: Vapor Intrusion Tier I Screening**

---

A Phase I Environmental Site Assessment (ESA) has been completed in accordance with ASTM E1527-05 for the property at 125 West 97<sup>th</sup> Street Phase I Report dated May 24, 2011. According to ASTM E2600-08 (Standard Practice for Assessment of Vapor Intrusion into Structures on Property Involved in Real Estate Transactions) a Tier I Screening analysis was performed and the site was found to be in compliance with all standards. Therefore, vapor intrusion is unlikely to be an issue of concern in connection with the subject property.
