Question #	Corresponding RFI Section	Question	Answer
1.	General	Can we have the vehicle purchased by the client after the evaluation and not before?	<p>Per NYCRR 69-10.9, A vehicle modification request may only be made for a vehicle owned by the enrollee or a member of the enrollee's household who has consistent and ongoing contact with the enrollee and provides unpaid primary, long-term support to the enrollee.</p> <p>Per the Nursing Home Transition and Diversion manual the vehicle is not to be purchased until an evaluation and RRDC approval occurs. Any vehicle modification evaluation must be approved by the RRDC prior to purchasing the vehicle should this waiver service be requested.</p>
