

**New York State Department of Health
Division of Family Health, Bureau of Women, Infant & Adolescent Health**

**Perinatal and Infant Community Health Collaborative Data Management
Information System
Request for Proposals (RFP) # 20053**

AMENDMENT # 1
August 28, 2021

The following are official modifications, which are hereby incorporated into the New York State Department of Health, Division of Family Health, Bureau of Women, Infant & Adolescent Health, Perinatal and Infant Community Health Collaborative Data Management Information System.

The RFP # 20053 was issued August 13, 2021. The information contained in this amendment prevails over the original RFP language. For all amendments below, bolded, underlined language appears for the added information.

The “Attachment B. Cost proposal” is now replaced with “**Attachment B. Cost proposal- Amendment**”

Original Language:

COST PROPOSAL BY DELIVERABLE
Deliverables

- A. Phase I: Within 14 days of the contract start date, develop and submit a transition and implementation/operation plan for the PICHC DMIS, including:
 - A plan for full system support, assuming ownership of existing data, and completing implementation of continued data functionality within the first 2 months of the contract.

Revised Language

COST PROPOSAL BY DELIVERABLE
Deliverables

- A. Phase I: Within 14 days of the contract start date, develop and submit a transition and implementation/operation plan for the PICHC DMIS, including:
 - A plan for full system support, assuming ownership of existing data, and completing implementation of continued data functionality within the first 2 months of the contract.
Analysis and documentation of the data system per section 4.1.c should be included.

Attachment B. Cost proposal-Amendment document to be submitted with proposals is located on the Department of Health web site at: <https://www.health.ny.gov/funding/rfp/20053/index.htm>
