RIGHT TO A CONFERENCE: You may have a conference to review these actions. If you want a conference, you should ask for one as soon as possible. At the conference, if we discover that we made the wrong decision or if, because of information you provide, we determine to change our decision, we will take corrective action and give you a new notice. You may ask for a conference by calling us at the number on the first page of this notice or by sending a written request to us at the address listed at the top of the first page of this notice. If you want to have your benefits continued unchanged (aid continuing) until you get a fair hearing decision, you must request a fair hearing in the way described below. A request for a conference alone will not result in continuation of benefits. Read below for fair hearing information.

If you request a fair hearing, the State will send you a notice informing you of the time and place of the hearing. You have the right to be represented by legal counsel, a relative, a friend or other person, or to represent yourself. At the hearing you, your attorney or other representative will have the opportunity to present written and oral evidence to demonstrate why the action should not be taken, as well as an opportunity to question any persons who appear at the hearing. Also, you have a right to bring witnesses to speak in your favor. You should bring to the hearing any documents such as this notice, paystubs, receipts, medical bills, heating bills, medical verification, letters, etc. that may be helpful in presenting your case.

CONTINUING YOUR BENEFITS: If you request a fair hearing before the effective date stated in this notice, you will continue to receive your benefits unchanged until the fair hearing decision is issued.
