A man in a grey suit and glasses is speaking at a podium on a stage. He is gesturing with his hands. The podium has a microphone and a laptop. In the foreground, the back of an audience member's head is visible. The background features a large projection screen displaying the Bronx Health Access logo and presentation title. The room has wood-paneled walls and several track lights hanging from the ceiling.

About OneCity Health

- + Largest PPS in New York State, and NYC's only public-hospital led PPS
 - + 657,070 DSRIP-attributed Medicaid patients, >30 languages
 - + Longstanding commitment to health equity and culturally competent care
 - + Workforce headcount of ~119,600
 - + 4 hubs, ~220 organizational-level partners, ~1,100 sites, ~12,000 providers
- + Intensifying focus on sustainability of all efforts
 - + \$85M in partner spend for 1st nine months of Year 3 - for Executive Committee approval in February
 - + Using new network knowledge to tailor contracting, investment and partner support strategies
 - + Significant sustainability risk in light of potential new federal policies
- + Anchored by NYC Health + Hospitals (H+H) – aligned in transformation efforts accelerated under its fiscal crisis
 - + Reorganized into service line structure
 - + New executive leadership
 - + Integrated leadership into OneCity Health team from population health, Health Home and Medicare ACO
