Public Health Reporting LISTSERV: 1/10/2018

Breaking News!! Introducing the New Audit Report Card!

The Meaningful Use Registration for Public Health (MURPH) System is excited to announce the new Audit Report Card. This is an additional application feature that provides new functionality to the MURPH system. The Audit Report Card is a self-service utility that provides direct access to Meaningful Use (MU) Public Health On-boarding Statuses for Eligible Professionals (EPs), Eligible Hospitals (EHs) and their representatives. This new feature allows eligible providers and their representatives quick and easy access to a report of their public health status history for all of the Public Health registries with which they have registered intent to submit data.

Visit our Website for additional information or contact our MU Public Health Reporting Objective Support Team at:
Phone: 877-646-5410, Option 3 (Mon-Fri, 8:30am - 5:00pm)
e-Mail: MUPublicHealthHELP@health.ny.gov

Highlights of the New Features & Functionalities

From the MURPH Home Page, users can click on the tab, "Audit Report Card" on the left-hand navigation bar and populate a provider's NPI to view the following:

A list of registrations for which you are listed as a representative (primary or alternate contact)

A list of EPs or EHs associated with each registration

The review status for each registry (Approved, Needs Review, Needs Action, Not Submitted, or Deleted)

Current Declaration of Intent, Intent Date, and On-boarding Status History for each EP or EH since their registration with the MURPH System

A PDF letter to assist providers in record keeping and audit preparation

MURPH Access Instructions
