

Dear Parent, Guardian or CACFP Participant:

Your program participates in the Child and Adult Care Food Program (CACFP) and serves nutritious meals each operating day. The information requested on the attached Income Eligibility Application determines how much reimbursement your program will receive from CACFP for these meals and snacks, based on the United States Department of Agriculture (USDA) family income criteria listed below. We encourage you to complete the attached form promptly so your center can maximize its reimbursement for healthy meals and snacks. One form needs to be completed for each household every year. All information on the application will be confidential and used only for the purpose of determining CACFP reimbursement for meals and snacks served at the program.

Guidelines for completing the Income Eligibility Application are listed below:

DOH-3688: Income Eligibility Application

- Households currently receiving Food Stamps, FDPIR, or Temporary Assistance to Needy Families (TANF) are automatically eligible for the highest reimbursement and need only complete Section A of the application. You must immediately notify your child care program if your household no longer participates in any of these programs.
- Head Start participants in federally funded slots are automatically eligible for the highest rate of reimbursement from CACFP.
- The eligibility of a foster child is dependent on the foster child’s own income rather than the income of the individual(s) with whom they reside. If you are completing this form for a foster child, you need to complete only Section A of the application. A separate form must be completed for each foster child.

DOH-3834: Adult Income Eligibility Application

- Adult participants eligible for Food Stamps, SSI or Medicaid are automatically eligible for the highest reimbursement and need only complete parts 1 and 3 of the adult application. You must immediately notify the program if the household no longer participates in any of these programs.
