TO: CACFP Sponsoring Organizations of Day Care Centers and Day Care Homes

FROM: Danielle Quigley, MS, RD, CDN *Danielle Quigley, MS, RD, CDN*
Director, Bureau of Child and Adult Care Food Programs

SUBJECT: Crediting Foods in CACFP- 2022 Revision

I. Purpose and Scope

The New York State Department of Health Child and Adult Care Food Program (NYSDOH CACFP) has revised the Crediting Foods in CACFP guide.

II. Summary of Changes

Effective July 1, 2022, all participating CACFP programs must determine the quantity of creditable grains using ounce equivalents. Refer to the new CACFP meal patterns for serving size information for the age group(s) you serve. The Crediting Foods in CACFP guide has been revised to assist sponsoring organizations in determining grain ounce equivalents.

III. CACFP Training and Resources

The Crediting Foods in CACFP guide can be viewed from our website at www.health.ny.gov/cacfp. In a separate mailing, you will receive enough copies for all of your participating centers and home providers. The Crediting Foods in CACFP guide will be available on our website in the following languages: English, Spanish, Chinese, Russian, Yiddish, Bengali, Korean, Haitian Creole, Italian, Arabic, Polish, Urdu, and French.

Training is available via webinar and online courses (use enclosed CACFP-193 CACFP NY Training Website User Account Form). Classroom trainings will be announced when the NYS DOH CACFP resumes in-person training.

If you have questions, please contact us at cacfp@health.ny.gov or call 1-800-942-3858.
