Webinar #2 on Redesign of the SPARCS Submission Process: X225 Format

Presented by:
John Piddock, Director,
SPARCS Operations
Bureau of Health Informatics
Division of Information and Statistics

June 26, 2017

Agenda

1. Acquiring the X225 Manual

2. SPARCS Data Input Specs. Document

3. Data Elements
   1. List of data elements ignored in SPARCS that will be required
   2. Detailed discussion of changes to current SPARCS format

4. Questions

NEW YORK STATE OF OPPORTUNITY. | Department of Health

X225 Health Care Service: Data Reporting Manual

- The X225 Implementation Guide (a.k.a manual) is the master guide for the X12N 837 Health Care Service: Data Reporting (R) submissions

  - Document's Version/Release/Industry Identifier Code is: X12N/005010X225

- Similar to the document identifier for other 837 Health Care Claims Implementation Guide:

  - X223 for 837 Health Care Claim: Institutional (I)

NEW YORK STATE OF OPPORTUNITY. | Department of Health

X225 Implementation Guide

- The Implementation Guide is available for purchase on the X12.org website

  - http://store.x12.org/store/healthcare-5010-original-guides

- Information about the Implementation Guide is available on the X12.org website

  - http://registry.x12.org/Document/Details/1078

- As these are copyrighted documents, they CANNOT be copied and handed out. Rather, they must be purchased.

SPARCS Data Input Specification Document

SPARCS Data Input Specification Document

- The current document will not be carried forward with the new process. (http://www.health.ny.gov/statistics/sparcs/sysdoc/input5010.pdf)

  - All national standard reporting requirements are in the copyrighted X225 Health Care Service: Data Reporting Implementation Guide.

- SPARCS will be providing a new supplementary Companion Guide

  - This document will contain the additional information needed on the few remaining New York State specific data elements and their requirements.
