

DSRIP: What You Need To Know!

Jason Helgerson, Medicaid Director
Office of Health Insurance Programs
NYS Department of Health

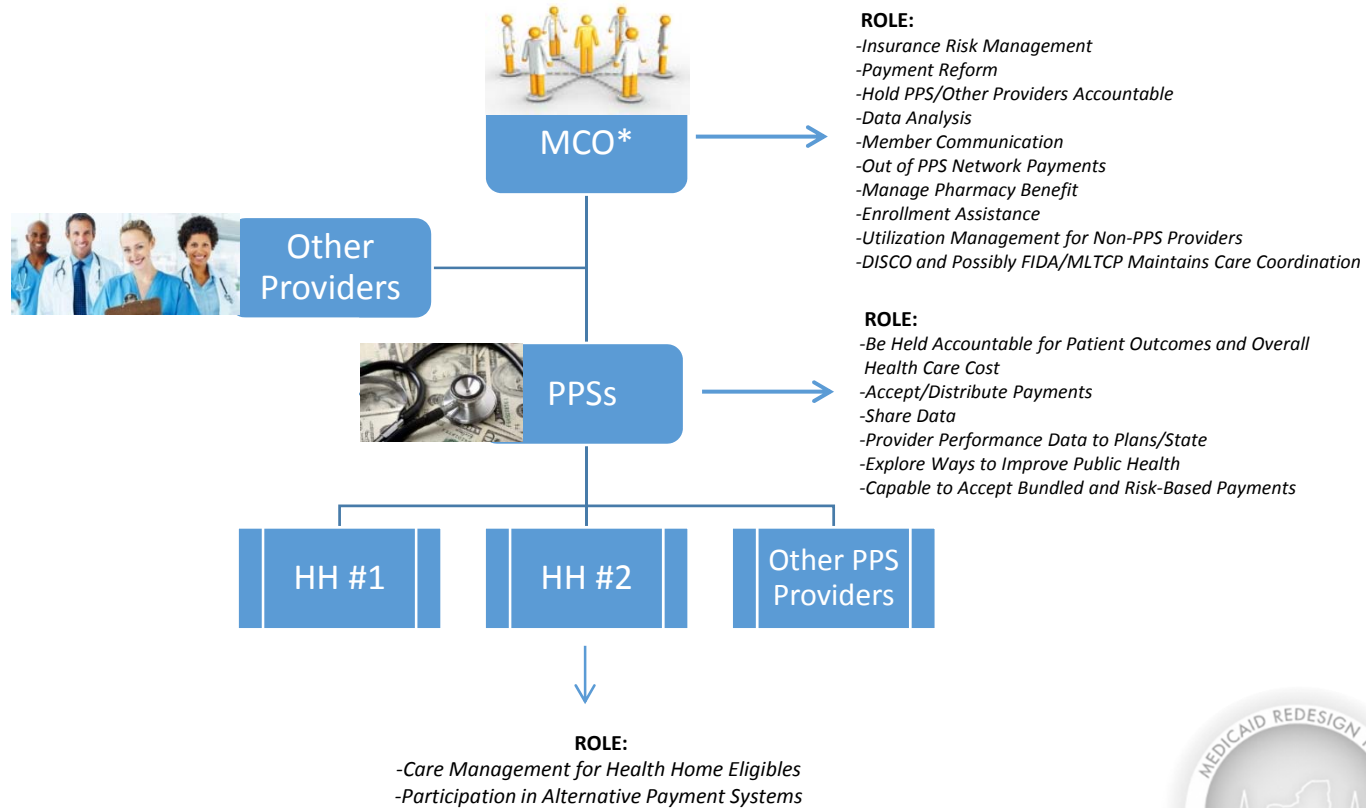

SIX KEY THEMES OF DSRIP

1. Integrated Delivery—Creating Performing Provider Systems
2. Project Value drives 
 - a) *Transformation → # and types of projects*
 - b) *# of Medicaid members served (attribution)*
 - c) *Application Quality – Speed and Scope of Implementation*
3. Performance Based Payments – Process and Outcome Measures
4. Statewide Performance Matters
5. Regulatory Relief and Capital Funding Available
6. Lasting Change
 - a) *Long-Term Transformation*
 - b) *Health System Sustainability*

Five Years in the Future

How The Pieces Fit Together: MCO, PPS & HH

*Mainstream, MLTC, FIDA, HARP & DISCO

We want to hear from you!
