	Description of the general hospital. Please include the general hospital's name and the titles of all the patient care units within the hospital: *	Established in 1907, Mount St. Mary's Hospital moved to its current location in Lewiston, New York, in 1965 and became part of Catholic Health in 2015. In addition to medical, surgical, emergency and intensive care services, the 175-bed hospital offers a variety of specialty services on its main campus, just north of Niagara Falls. They include Cardiac Center; Wound Healing &		sb643256	

		<p>Hyperbaric Medicine Center; a number of primary and specialty care practices; and Clearview Treatment Services, offering inpatient substance use treatment. The hospital's offsite services, located throughout Niagara County, include the Neighborhood Health Center in Niagara Falls; Lockport Health Center; Center for Sports Medicine and Rehabilitation; Imaging & Lab Center; Ear, Nose & Throat Clinic; and other specialty services. We also have a new neighborhood hospital and campus of Mount St. Mary's, named Lockport Memorial Hospital.</p>			
	<p>Directions for Additional information regarding Clinical Staffing Plan for units of the general hospital:</p> <p>Please document the unit's name and provide the information requested for each patient care unit within the general hospital as defined in its operating certificate (for example, Intensive Care Unit, Critical Care Unit, Maternity Unit, Pediatric Unit, Psychiatric Unit, Medical Surgical Unit) in the section of the document for Day Shift, Evening Shift and Night Shift. There should be separate documentation submitted for</p>

	If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:	SEIU is proposing an addition of a unit clerk. Hospital created an ITA position where they are trained for these responsibilities. In addition, the hospital is working an EMT to couple with the nurses in the Triage and Fast Track areas. They are credentialed to perform multiple levels of POC testing. Further discussions occurring and consensus not reached on this unit at this time.		sb643256	
	Statement by members of clinical staffing committee selected by the general hospital administration (management members):	Further discussion with negotiation to occur on this topic as listed above		sb643256	
	Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):	Frontline members of the CSC are in disagreement with management for this decision in this department.
