DAY SHIFT ADDITIONAL RESOURCES

<p><b>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</b></p>	<p><b>Description of additional resources available to support unit level patient care on the Day Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff.</b></p>
<p>415326 PACU</p>	<p>Other support personnel that aid perioperative services include: Unit Clerk, Anesthesia, IT, Biomed, Supply Chain Pharmacy, radiology. Each shift has a Charge RN supporting the team as well.</p>

Additional RN support is available from Infusion to be assigned based on acuity needs of both departments. Also, team includes patient access coordinators who assist with phones, scheduling, and authorization, as well as dedicated radiation therapist team who provide treatments. Dedicated radiation oncologists, dosimetrist/physics available. Dedicated pharmacists, social worker, nurse navigators, financial counselor, and nutritionist support are available for patient care. Appointments in this area range from 15 minutes to 90 minutes based on exam visit type which are office visits with providers.

416246 NYP HV Rad Onc

<p>418050 NYP HV Infusion</p>	<p>This unit has per diem nurses and available nurse resource from radiation oncology to support based on acuity and needs of both departments. Also, team includes unit clerk and patient access coordinators who assist with phones, scheduling, and authorization. Dedicated oncology providers, pharmacists, social worker, nurse navigators, financial counselor, and nutritionist support patient care. Treatments in this area range in length from 30 minutes to 360 minutes based on type of treatment.</p>
<p>416260 Nuclear Medicine / Cardiac Stress</p>	<p>This unit has available to it nurse and part time casual nurses to support during unscheduled absences. Other support personnel that aid nursing services include nuclear medicine technologists, patient registrars, and transport team.</p>

415012 Interventional Radiology	This unit has available to it nurse and part time casual nurses to support when unscheduled absences. Other support personnel that aid nursing services include patient care technician, interventional radiology technologist, physician assistant, respiratory therapists, CRNAs, pharmacy technicians, cytologist, patient registrars, and transport team.
416101 Cath Lab	This unit has available to it nurse and a number of part time casual nurses to supplement any unscheduled absences. Other support personnel that aid nursing services include angioplasty specialists, physician assistant, patient registrars, and transport team.
416819 Endo	Other support personnel that aid perioperative services include: Unit Clerk, Anesthesia, Perfusion, Pharmacy, and Child Life, radiology. Each shift has a Charge RN supporting the team as well.

415852 ASU	Other support personnel that aid perioperative services include: Unit Clerk, Anesthesia, Perfusion, Pharmacy, and Child Life, radiology. Each shift has a Charge RN supporting the team as well.
415320 OR	Other support personnel that aid perioperative services include: Unit Clerk, Anesthesia, Perfusion, Pharmacy, and Child Life, radiology. Each shift has a Charge RN supporting the team as well.
415108 4S MED SURG	This unit has available to it nurse and support staff float pools to supplement unit staffing. Also other support personnel include an admission/discharge nurse, unit secretary, respiratory therapists, physical therapy aides, care managers, and phlebotomists.

415107 3S MED SURG	This unit has available to it nurse and support staff float pools to supplement unit staffing. Also other support personnel include an admission/discharge nurse, unit secretary, respiratory therapists, physical therapy aides, care managers, and phlebotomists.
415223 MCH / L&D	This unit has available to it an admission/discharge nurse, unit secretary, and respiratory therapists.
415230 NEONATAL ICU	This unit has available respiratory therapists and case managers as supplemental support.
415457 PROGRESSIVE CARE UNIT	This unit has available to it nurse and support staff float pools to supplement unit staffing. Also other support personnel include an admission/discharge nurse, unit secretary, respiratory therapists, physical therapy aides, care managers, and phlebotomists.
415420 INTENSIVE CARE UNIT	This unit has available to it an admission/discharge nurse, unit secretary, and respiratory therapists.

416048 Emergency Department	This unit has available to it nurse and support staff float pools to supplement unit staffing. Also other support personnel include an admission/discharge nurse, unit secretary, respiratory therapists, physical therapy aides, care managers, and phlebotomists.
