<b>Reporting Organization Type</b>	Hospital (pfi)
<b>Data Entity</b>	Westchester Medical Center

RN DAY SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Registered Nurses (RN) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of RN nursing care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)	Planned average number of patients on the unit per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	What is the planned average number of patients for which one RN on the unit will provide direct patient care per day on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50) ?
