Region	Metropolitan Area Regional Office
County	New York
Council	New York City
Network	NYC H+H
Reporting Organization	Bellevue Hospital Center
Reporting Organization Id	1438
Reporting Organization Type	Hospital (pfi)
Data Entity	Bellevue Hospital Center

RN DAY SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Registered Nurses (RN) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of RN nursing care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)	Planned average number of patients on the unit per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	What is the planned average number of patients for which one RN on the unit will provide direct patient care per day on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50) ?

DAY SHIFT ADDITIONAL RESOURCES

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Description of additional resources available to support unit level patient care on the Day Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff.
Pulmonary Clinic	NA
Pediatric Primary Care Clinic	The clinic is supported by 1 head nurse.
World Trade Center - Responder Clinic	NA
Virology Adult Clinic	NA
Surgical Services Clinic	The clinic is also supported by 1 head nurse.
Primary Care Clinic	The clinic is supported by 1 head nurse.
Ophthalmology & ENT Clinic	The clinic is supported by 1 head nurse.
Dermatology Clinic	The clinic is supported by 1 head nurse.
Interventional Radiology	NA
Chemical Dependency Clinic -- Adults	NA
ACT Program - Adults	NA
Methadone Clinic	The clinic is supported by 1 head nurse.

Chemo infusion center (Cancer Center) and Oncology Clinic	The clinic is supported by 1 head nurse.
Dental Clinic - Adult & Pediatric	The clinic is also supported by 1 head nurse and 3 dental assistants.
Women's Health Services	The clinic is supported by 1 head nurse.
Endoscopy Suite	The department is supported by 1 head nurse and 1 clerical assistant.
Emergency Services - Adult	The department is supported by 2 head nurses.
Emergency Services - Pediatrics	The department is also supported by 1 head nurse.
Cardiac Catheterization lab	The unit is also supported by 1 head nurse.
Ambulatory Surgery	Unit is supported by 1 clerical staff and 1 head nurse
BE IP 9S Labor & Delivery	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

BE IP 9N Neonatal ICU	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
BE IP 9E Mother Baby	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
BE IP 8S Pediatric ICU	Dedicated clerical resource for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

BE IP 8N Pediatrics	Dedicated clerical and Assistant HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.
BE IP 11N Cardiac ICU	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as pharmacists, respiratory therapists and social workers are available to support the planned number of patients on this unit.

BE IPP 21W Adolescent Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 2 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 21S Pediatric Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 2 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 21N Adolescent Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 2 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.

BE IPP 20W Adult Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 19W Forensic Psych	No	The current staffing for unlicensed personnel is 3 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 19N Forensic Psych	No	The current staffing for unlicensed personnel is 3 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.

BE IPP 18W Adult Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 18S Adult Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
BE IPP 18N Adult Psychiatry	No	The current staffing for unlicensed personnel is 2 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.

BE IPP 18N Adult Psych	No	The current staffing for unlicensed personnel is 2 BHAs and 3 PSHTs. The proposed change by the employee representatives is 4 BHAs, 2 PSHTs, and 2 PCAs. The hospital leadership (CEO) reviewed the proposal and determined the current staffing is adequate and therefore will remain.	In summary, management members agree with the hospital leadership statement above.	In summary, employee members did not find that the ancillary staffing would provide a sufficient number of patient care hours per day for the Bellevue population.
