Reporting Organization Type	Hospital (pfi)
Data Entity	Mount Sinai West

RN DAY SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Registered Nurses (RN) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of RN nursing care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)	Planned average number of patients on the unit per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	What is the planned average number of patients for which one RN on the unit will provide direct patient care per day on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50) ?

<p>NURSING 9A MEDICAL SURGICAL UNIT</p>	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions.</p>

NURSING 8B MEDICAL
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

14A MEDICAL SURGICAL
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

10A MEDICAL SURGICAL
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

9B MEDICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8AS CRITICAL
CARE STEPDOWN-Annex

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8A SOUTH
NEUROSURGICAL

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AW-ADULT
MEDICAL/SURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AE-NURSING INTENSIVE
CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

7G ADULT PSYCH UNIT	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>

DAY SHIFT CONSENSUS INFORMATION

<p>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</p>	<p>Our Clinical Staffing Committee reached consensus on the clinical staffing plan for this unit:</p>	<p>If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:</p>	<p>Statement by members of clinical staffing committee selected by the general hospital administration (management members):</p>	<p>Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):</p>
---	--	--	---	---

Endoscopy	No	<p>Submitted staffing plans reflect knowledge, skills and experiences of hospital/nursing leadership in addressing current clinical acuity, workflow and unique needs of the patient population served. These staffing plans are in accordance with elements for consideration in the staffing law, national nursing practice standards and alignment of fiscal responsibility.</p>	<p>Nursing/Hospital Management submitted plans which constitute safe staffing and address all elements of the staffing law under consideration and meets the clinical and emotional needs of our patients and families, operational demands of each unit in accordance with the mission of the organization.</p>	<p>for patient care and safety. Management's recommendation for minimal staffing is not consistent with the legislation NYSHCSC Law 2805-t. Sufficient staffing ensures patients receive the attention, expertise, and support they need. It allows for swift responses to emergencies, reduces the risk of errors, and improves outcomes. Insufficient staffing jeopardizes lives and compromises care quality. Management's suggestion prioritizes cost-cutting over patients. To achieve our goal, we must recognize that adequate staffing is non-negotiable. It is essential for optimal care and patient well-being. Patient safety depends on it, and management must acknowledge the significance of proper</p>

Management's recommendation for minimal staffing is not consistent with the legislation NYSHCSC Law 2805-t. Sufficient staffing ensures patients receive the attention, expertise, and support they need. It allows for swift responses to emergencies, reduces the risk of errors, and improves outcomes. Insufficient staffing jeopardizes lives and compromises care quality. Management's suggestion prioritizes cost-cutting over patients. To achieve our goal, we must recognize that adequate staffing is non-negotiable. It is essential for optimal care and patient well-being. Patient safety depends on it, and management must acknowledge the significance of proper</p>

There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11A MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11B MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

LABOR AND DELIVERY-WST

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 10B MEDICAL
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 9A MEDICAL
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8B MEDICAL
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

14A MEDICAL SURGICAL
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

10A MEDICAL SURGICAL
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

9B MEDICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8AS CRITICAL
CARE STEPDOWN-Annex

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8A SOUTH
NEUROSURGICAL

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AW-ADULT
MEDICAL/SURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AE-NURSING INTENSIVE
CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

7G ADULT PSYCH UNIT	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>

EVENING SHIFT CONSENSUS INFORMATION

<p>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</p>	<p>Our Clinical Staffing Committee reached consensus on the clinical staffing plan for this unit:</p>	<p>If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:</p>	<p>Statement by members of clinical staffing committee selected by the general hospital administration (management members):</p>	<p>Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):</p>
---	--	--	---	---

Emergency Department	No	<p>Submitted staffing plans reflect knowledge, skills and experiences of hospital/nursing leadership in addressing current clinical acuity, workflow and unique needs of the patient population served. These staffing plans are in accordance with elements for consideration in the staffing law, national nursing practice standards and alignment of fiscal responsibility.</p>	<p>Nursing/Hospital Management submitted plans which constitute safe staffing and address all elements of the staffing law under consideration and meets the clinical and emotional needs of our patients and families, operational demands of each unit in accordance with the mission of the organization.</p>	<p>for patient care and safety. Management's recommendation for minimal staffing is not consistent with the legislation NYSHCSC Law 2805-t. Sufficient staffing ensures patients receive the attention, expertise, and support they need. It allows for swift responses to emergencies, reduces the risk of errors, and improves outcomes. Insufficient staffing jeopardizes lives and compromises care quality. Management's suggestion prioritizes cost-cutting over patients. To achieve our goal, we must recognize that adequate staffing is non-negotiable. It is essential for optimal care and patient well-being. Patient safety depends on it, and management must acknowledge the significance of proper</p>
